The Committee will also resume the consideration of a draft general comment relating to article 25 of the Covenant which had been initiated at its fifty-third session.

5. Consideration of communications under the Optional Protocol to the Covenant

In accordance with the provisions of chapter XVII of the rules of procedure, the Committee will consider under this item communications which are or appear to be submitted to it under the Optional Protocol.

One hundred and seventeen communications are pending before the Committee from earlier sessions. Taking into account the deadlines established by the Committee for submission of further information from the States parties, 42 cases (earlier declared admissible) may be considered for the adoption of final views and 75 cases may be considered for a decision on admissibility. In addition, the Committee will have before it summaries of a number of recently registered communications and summaries of new communications registered after its last session, together with an indication of any action which may have been taken by the Special Rapporteur for new communications.

In accordance with article 5, paragraph 3, of the Optional Protocol and rule 82 of the Committee's rules of procedure, this agenda item will be considered in closed meetings.

6. Follow-up on views adopted pursuant to article 5, paragraph 4, of the Optional Protocol to the Covenant

Under this item, the Committee will assess the status of follow-up activities under the Optional Protocol and examine periodic reports submitted by the Special Rapporteur for the follow-up on views.

7. Future meetings of the Committee

As the calendar of meetings held within the framework of the United Nations is submitted by the Secretary-General on a biennial basis for the approval of the Committee on Conferences and the General Assembly, the Committee may wish to take decisions under this item on the schedule of its meetings to be held in 1996 and 1997.

8. Annual report of the Committee to the General Assembly through the Economic and Social Council under article 45 of the Covenant and article 6 of the Optional Protocol

Under article 45 of the Covenant, the Committee is to submit to the General Assembly, through the Economic and Social Council, an annual report on its activities. Article 6 of the Optional Protocol provides that the Committee shall include in its annual report a summary of its activities under the Optional Protocol.

At its fifth session, the Committee decided that, beginning with 1979, it would adopt its annual report at the end of the second annual (summer) session, for appropriate transmission to the General Assembly. Accordingly, the annual report in 1995 will cover the activities of the Committee at its fifty-second (October/November 1994), fifty-third (March/April 1995) and fifty-fourth (July 1995) sessions.
